PRODUCT HIGHLIGHTS

- · Water based and solvent free PU
- · Super soft matte finish
- Perfect for multiple garment applications
- · Easy to cut, weed and peel hot or cold
- Suitable for all types of fabrics, including nylon
- · Suitable for baby / kids clothing and sportswear
- Super flexible, great for stretchable garments

CARE & MAINTENANCE

- · Always respect the garment instructions
- Wash warm up to 140°F/60°C or 100°F/40°C for Nylon
- · Allow 24 hours after application before first wash
- · Avoid the use of strong chemicals, do not bleach
- · Wash inside out to extend the design's life
- Storage life recommendation is up to one year
- Store product in dry room with 60°-85°F / 15°-30°C
- Keep away from sunlight in a vertical position

NOTE: We highly recommend that you perform tests before production.
